Programme

Donnerstag, 29. September 2022

Morning	Travel at own expense

Afternoon **Università della Svizzera italiana** in Lugano
A0.01 Aula Polivalente, Sector A on the ground floor, East Campus

13.30 – 14.15 h

Presentation:
«Pitfalls in Teaching Programming»
Learning to program is difficult. Looking at programming language theory can shed some light on what makes programming hard and what might help to scaffold learning.

Speaker:
Matthias Hauswirth – Associate Professor, head lamp at Luce, the Lugano Computing Education Research Lab, straddling programming languages and computing education research, and teaching programming courses on various levels and loving it

14.15 – 14.30 h **Break**
